"We like the way you keep your prescription department".

Said, the Pure Food Inspector.

"The high polish you put on the dispensing instruments proves to us they are clean."

"That is a good idea you have of keeping your prescription bottles corked to keep the dust out", said one of the Civic League women.

**The Drug Shop**

The Home of Pure Drugs and Kodaks in Columbia.

## Said Mr. Fricke:

"Columbia has always needed a man of your principle. Your store is an example of the effort you put forth to serve the public as they should be served. The town should be proud of this store and its management."
